EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Piotrowski on 3/27/06.

The application has been amended as follows:

Please replace claim 11, with the following:

11. (Amended) A system arranged for recording and playing back sound signals, comprising a coder, a storage system, and the decoder of claim 10, in which:

the coder is arranged for applying two streams of frames to the storage system;

the storage system comprises a storage medium divided into at least a first and a second part, the storage system being arranged for being in one of the two states; initially in a state A for storing the one stream offered by the coder in the first part of the storage medium and the other stream offered by the coder in the second part, and when the available free space on the storage medium falls short of a predefined limit, in a state B, in which the first part of the storage medium is no longer used for storing the offered streams, and the second part of the storage medium is intended to store one of

the two offered streams while a stream stored in the second part in state A is overwritten; and,

the decoder is arranged for receiving two streams of frames from the storage medium if the storage system is in state A and for receiving one stream from one of the parts of the storage medium if the storage system is in state B.

Allowable Subject Matter

2. Claims 4, 5, and 9-11 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
